Challenger Pounded Heavily.

In two respects she disappointed her admirers. First, unless Skipper Sycanore was monkeying with the tiller ropes, the challenger carries a weather helm. That is a serious handicap to a gacer. Then, when the heauty's nosw was pointed into the wind and against the heavy sea, she pounded more heavily than was expected and threw find. Dahlen's end out of the heavy sea, she pounded more heavily than was expected and threw find. Dahlen made a pretty stop of Lowe's bounder and threw him out at first. Two runs.
